

www.GuardUrEyes.com

A website for religious Jews struggling to maintain their moral purity in today's world.

This year on Yom-Kippur, mean it for real!

The fiery plague of internet pornography is infiltrating even the most religious homes. With the advance of technology and the ease of availability that the internet provides, it has become a daily struggle for many religious Jews to remain *Erlich* (morally and ethically upright) even in their own homes. As the phenomenon claims more and more religious people and destroys families and marriages, Jewish leaders & Rabbis from across the religious spectrum are beginning to speak out about this serious problem more often and more openly.

GuardUrEyes.com is a revolution in the religious community today. For the first time ever, a religious Jew - seeking to better himself in areas he could never talk about with anyone else - finally has where to turn! **www.guardureyes.com** puts all the generally "taboo" subjects on the table and offers a whole system of help and recovery.

Check out the site and you'll be amazed at how much *chizuk* you'll find! Hundreds of tips, divided into intuitive categories, can help anyone break free no matter how far they have fallen. And with full anonymity, you can join the vibrant and growing community of Yidden dedicated to fixing what they never believed could be "fixed". Why is Sexual purity so important in Judaism? Our sages called *Shmiras Habris* "Yesod" - meaning "Foundation". The foundation of a building is "underground" and no one sees it, yet it holds up the entire building! *Shmiras Habris* is the hidden part of a Jew, it's the **real** you. If the foundation of a Jew is weak, his whole spiritual structure is fragile and in grave danger of collapse. At **guardureyes.com** we are finally joining together, for ourselves and for all future generations, to strengthen the foundations of our people!

A journey of a thousand miles begins with one step. How many people say "**Al Cheit**" each year on Yom-Kippur, knowing full well in their hearts that they will go back to their sins right after?

So check out **www.guardureyes.com** today, and this year when you face the Almighty on the High Holidays, you will at least have made that first step.
